PRESIDENT: LB 1119 is advanced. Next is LB 673.

ASSISTANT CLERK: Mr. President, LB 673 was introduced by Senator Lamb. (Read title.) Bill was read for the first time on January 4, was referred to the Committee on Judiciary and they report the bill back to General File with no committee amendments.

PRESIDENT: Chair recognizes Senator Lamb.

SENATOR LAMB: Mr. President and members of the Legislature, this is a simple bill brought to me by a law enforcement person in my district and it merely requires, provides that the Commission on Law Enforcement and Criminal Justice may revoke enforcement certificates of persons convicted of felonies. In other words, you have a sheriff or somebody that who, who has gone through the training and become a certified law enforcement officer. Then as time passes, that person, they are, there are a few occasions when those people have been convicted of felonies and so the, it does not seem that they should keep their certificate as being a certified law enforcement person after they've been convicted of the felony. There was no opposition to the bill and I'd ask it be advanced.

PRESIDENT: Is there further discussion on LB 673? If not, all those in favor of advancing LB 673 vote aye, opposed vote no. We are voting on the advancement of LB 673. Please record your vote. Please record your vote on the advancement of LB 673. May we have your cooperation, please? We need to have 673 advanced on the consent calendar. The Clerk will record the vote.

ASSISTANT CLERK: 25 ayes, 0 nays on the motion to advance 673.
